INDEPENDENT AUDITOR'S REPORT

To the Members of Victoria Innovation, Advanced Technology, Entrepreneurship Council

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying non-consolidated financial statements of the Victoria Innovation, Advanced Technology, Entrepreneurship Council (the Society), which comprise:

- the non-consolidated statement of financial position as at March 31, 2024
- the non-consolidated statement of operations for the year then ended
- the non-consolidated statement of changes in net assets for the year then ended
- the non-consolidated statement of cash flows for the year then ended
- and notes to the non-consolidated financial statements, including summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Society as at March 31, 2024 and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis of Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our auditor's report.

We are independent of the Society in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Victoria Innovation, Advanced Technology, Entrepreneurship Council Page 2

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

Those charged with Governance are responsible for overseeing the Society's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
 - The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Victoria Innovation, Advanced Technology, Entrepreneurship Council Page 3

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

As required by the Societies Act (British Columbia), we report that, in our opinion, the accounting policies applied in preparing and presenting the financial statements in accordance with Canadian accounting standards for not-for-profit organizations have been applied on a basis consistent with that of the preceding year.

Notes to Non-Consolidated Financial Statements

Year ended March 31, 2024

Victoria Innovation, Advanced Technology, Entrepreneurship Council (the "Society") was incorporated under the Societies Act (British Columbia) to promote and enhance the development of the advanced technology industry in Greater Victoria. The Society is a non-profit organization as defined under the Income Tax Act. The Society transitioned to the new Societies Act (British Columbia) on August 17, 2017.

1. Significant accounting policies:

The financial statements of the Society have been prepared in accordance with Canadian accounting standards for not-for-profit organizations. The following is a summary of the significant accounting policies used in the preparation of the financial statements.

(a) Cash and cash equivalents:

Cash and cash equivalents consist of cash, short term investments with original maturity dates of less than 90 days, when acquired and investments in money market instruments.

(b) Leases:

Leases which transfer substantially all the benefits and risks of ownership of the property to the Society are treated as a capital lease where it is accounted for as an asset and an obligation.

(c) Controlled profit-oriented enterprises:

The Society accounts for its controlled profit-oriented enterprise using the equity method. Under the equity method, the Society records its investment initially at cost and the carrying amount is adjusted thereafter to include the Society's pro rata share of post-acquisition earnings of the investees, computed by the consolidation method. The adjustments are included in the determination of net income by the Society, and the investment accounts of the Society are also increased or decreased to reflect the Society's share of capital transactions and changes in accounting policies and corrections of errors relating to prior period financial statements applicable to post-acquisition periods. Profit distributions received or receivable from investees reduce the carrying amounts of the investments. Unrealized inter-entity gains or losses are eliminated.

Notes to Non-Consolidated Financial Statements

Year ended March 31, 2024

1. Significant accounting policies (continued):

(d) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Investments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Society determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Society expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

(e) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Items requiring the use of estimates include the amortization period of capital assets and the collectability of accounts receivable. Actual results could differ from these estimates.

(f) Revenue recognition:

Membership dues are recorded as revenue immediately when received or receivable.

The Society follows the deferral method of accounting whereby restricted government contributions, special event proceeds, and other project funding sources are recognized as revenue as related expenses are incurred. In the case of projects that span more than one fiscal year, revenue is recognized as specific contractual milestones are met. Unrestricted contributions are recognized when received or receivable.

Notes to Non-Consolidated Financial Statements

Year ended March 31, 2024

1. Significant accounting policies (continued):

(g) Contributed services:

A substantial number of volunteers contribute a significant amount of time to the Society each year. Because of the difficulty in determining fair value, contributed services are not recognized in the financial statements.

(h) Capital assets:

Amortization is provided using the following methods and annual rates:

Asset	Basis	Rate
Building	Declining balance	4%
Office equipment	Straight-line	5 years
Computer equipment and software	Straight-line	3 years

The carrying amount of an item of equipment is tested for recoverability whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized when the asset's carrying amount is not recoverable and exceeds its fair value.

2. Accounts receivable:

Included in accounts receivable is a net \$53,803 (2023 - \$70,789) receivable from Western Economic Diversification. The claim submitted to Western Economic Diversification totaled \$53,803 (2023 - \$225,578) which includes \$nil (2023 - \$154,789) on behalf of the Society's project partner Accelerate Okanagan. A receivable of \$nil (2023 - \$112,712) is due from Canada's Digital Technology Supercluster.

	\$ 1,348,710	\$ 418,107	\$ 930,603

4. Investment in related party:

The Society owns two of five strata units of Strata Plan 700. The strata plan is accounted for using the equity method and has a carrying value of \$148,518 (2023 - \$151,142), representing the Society's 40% equity interest in the accumulated surplus to date. Based on the financial statements for the most recent fiscal period, the revenue and expenses of Strata Plan 700 are summarized as follows:

	2024		
Statement of Operations: Revenues Expenses	\$ 88,100 \$ 94,661	122,900 90,745	
	\$ (6,561) \$	32,155	

Notes to Non-Consolidated Financial Statements

Year ended March 31, 2024

4. Investment in related party (continued):

Strata Plan 700 capitalizes the cost of replacing major building components and amortizes the cost over their estimated useful lives which range from 3 years to 33 years.

5. Due from related parties:

The loan receivable from VIATEC Properties Inc., a wholly owned company, is unsecured, bears interest at 4.60% (2023 - 4.60%), and has no fixed terms of repayment.

The loan receivable from 1024851 BC Ltd., a wholly owned subsidiary of VIATEC Properties Inc., is unsecured, is non interest bearing and has no fixed terms of repayment.

The loan receivable from Strata Plan 700, an equity investee, is unsecured, is non-interest bearing has no fixed terms of repayment.

	2024	2023	
VIATEC Properties Inc. 1024851 BC Ltd. Strata Plan 700	\$ 1,625,923 119,921 7,698	\$	1,567,440 79,308 12,691
	\$ 1,753,542	\$	1,659,439

On April 1, 2024, 1024851 BC Ltd. was amalgamated with Viatec Properties Inc. under the provisions of section 273(1) of the British Columbia Business Corporations Act.

The receivable from 1024851 BC Ltd. at March 31, 2024 of \$119,921 will be settled by Viatec Properties Inc.

6. Related party transactions:

During the year, the Society recognized \$10,000 (2023 - \$10,000) in membership fees and allocated interest of \$54,569 (2023 - \$56,815) to its subsidiary, VIATEC Properties Inc. The Society also incurred \$154,800 (2023 - \$154,800) in rent during the year to the same subsidiary. In addition, the Society paid \$33,556 (2023 - \$47,767) in strata fees to Strata Plan 700.

These transactions are in the normal course of operations and are measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties.

Year ended March 31, 2024

9. Mortgage payable (continued):

The Society is in compliance with the loan agreement's non-financial reporting requirements.

10. Controlled profit-oriented enterprise:

On February 6, 2014, the Society incorporated a controlled profit-oriented enterprise, VIATEC Properties Inc. which is accounted for using the equity method. The negative carrying value of \$210,984 (2023 - \$150,327) represents the shareholder's deficiency. The Society has committed to provide financial support to VIATEC Properties Inc., as necessary.

Based on the financial statements for the most recent fiscal period, the assets, liabilities, revenue, expenses and cash flows of VIATEC Properties Inc. are summarized as follows:

	2024	2023
Balance Sheet: Total assets Total liabilities	\$ 1,676,433 1,887,416	\$ 1,698,431 1,848,757
Shareholder's deficiency	\$ (210,983)	\$ (150,326)

2027	180,00	00
2028	180,00	00

Notes to Non-Consolidated Financial Statements

Year ended March 31, 2024

14. Financial instruments:

The maximum credit risk exposure for the Society's financial assets is the carrying value of those assets. To reduce credit risk, cash and cash equivalents are only held at major financial institutions and management performs ongoing credit evaluations of its members' financial condition.

The Society is exposed to credit risk with respect to the accounts receivable. The Society assesses, on a continuous basis, accounts receivable and provides for any amounts that are not collectible.

It is management's opinion that the Society is not exposed to significant interest risk or foreign exchange risk.

There has been no change to the risk exposures from 2023.

15. Remuneration paid to employees, directors and contractors:

For the fiscal year ending March 31, 2024, the Society paid total remuneration of \$316,000 to two employees (2023 - \$377,000 to three employees), each of whom received total annual remuneration of \$75,000 or greater.
